Metro smartphone line required for additional services. **Home Internet: Check availability.** Speeds vary due to factors affecting cellular networks. Customers that use more than 1.2TB of data in a month may experience reduced speeds until next bill cycle due to data prioritization. Voice service required. For use only with T-Mobile Gateway for in-home use at location provided at activation. Cannot be unlocked for use on other networks. For best performance leave video streaming applications at default resolution setting.
